# AFTERNOON TEA

### **Irish Breakfast Organic Black Tea:**

A much-loved traditional favourite that is both strong and bold with lots of character. Its citrus notes make it wonderfully refreshing; the perfect organic black tea to revive you in the morning and start your day the right way.

---

### **The Minted Earl Organic Black Tea:**

The Minted Earl brings together a special combination of bergamot and peppermint. This new and exclusive organic black tea is sure to entice and awaken the senses in a way that you won't find anywhere else.

---

### **Darjeeling Organic Indian Black Tea:**

This organic Indian black tea is also known as the “champagne of teas” due to its distinctive aroma.

---

## **Organic Tea & Herbal Infusions from 'Java Republic'**

### **Earl Grey Organic Black Tea:**

Organic bergamot and the result is strong, reviving tea with notes of citrus for a fresh cup that is full of flavour.

---

### **Jasmine Organic Green Tea:**

Jasmine was one of the first-ever flavoured teas worldwide. It is light, with a delicious floral aroma that invites you to immerse yourself in the scent of fresh jasmine blossom.

---

### **Ginger & Lemongrass Organic Green Tea:**

For this organic green tea, we have combined fresh lemongrass with spicy ginger for a delicious taste that is both healthy and warming. Ginger has been proven to help aid digestion, plus its heat and energy are great for keeping you warm, especially in the winter months.

---

### **Blood Orange Organic Herbal Infusion Tea:**

This delicious organic herbal infusion blends flavours from Europe, Africa and South America. Its sweet citrus notes will enliven and invigorate at any time of the day.
